

Parents that communicate with teachers and take an active role in planning their child's academic goals greatly impact their child's education and future.

**K12Excellence ParentView™** is a secure web based portal where parents can log in and track the progress of their children at school.

The portal gives parents access to real-time information including attendance, grades, detailed assignment descriptions, standardized test scores, school events, bus schedules, lunch menus and much more.

Parents can also collaborate with teachers, librarians, other school employees and peer parents to ensure that their children reach the highest potential.

## K12Excellence ParentView™ Features

**K12Excellence ParentView™** has been specially designed to highlight the most relevant academic measures to the parent. These measures are of the highest importance demanding the parent's attention.
